CHEMICAL LIFE CYCLE COLLABORATIVE

Chemical LCA Workshop

Driving Directions

From the Best Western South Coast Inn:

1. Head east on Calle Real toward Kellogg Ave.
2. Use the right lane to turn right onto N Patterson Ave.
3. Turn right onto highway 217
4. At the end of highway 217, pass through the Henley Gate and around the traffic circle to Lagoon Road.
5. Turn Right onto Ucen Road
6. Lot 3 will be the third left. Please park in one of the spots "LCA Workshop" and proceed to the University Center

From the South:

1. Take highway 101 North.
2. Approximately 6 miles past downtown Santa Barbara, merge onto highway 217 W towards UCSB (Exit 104B).
3. At the end of highway 217, pass through the Henley Gate and around the traffic circle to Lagoon Road.
4. Follow Lagoon Road.
5. Turn Right onto Ucen Road.
6. Lot 3 will be the third left. Please park in one of the spots "LCA Workshop" and proceed to the University Center

From the North:

1. Take 101 South.
2. Approximately 7 miles before reaching downtown Santa Barbara, take exit 104 for Patterson Ave.
3. Turn left onto Patterson Ave and cross the bridge over highway 101.
4. Turn left immediately after crossing the bridge and get into the left lane to get onto highway 217 (the entrance ramp splits; 217 is to the left and 101 North is to the right)
5. At the end of highway 217, pass through the Henley Gate and around the traffic circle to Lagoon Road.
6. Follow Lagoon Road.
7. Turn Right onto Ucen Road.
8. Lot 3 will be the third left. Please park in one of the spots "LCA Workshop" and proceed to the University Center
